

Atlas would
love to be your
Lucky Charm

Atlas has been
waiting for a long
time to call a
place his home

THIS IS ATLAS OUR DOG OF THE MONTH

He is a very friendly and happy go lucky boy! He's all for adventure and would LOVE having an active family who's in search of a best friend to take out hiking, beach trips, and just walks around the block. This boy is so much fun and always has a smile on his face.

He loves going for car rides and loves going for walks. But he can be quite strong and while he is learning how to properly walk on leash, he still needs an equally strong and sturdy handler who can make sure to correct him if he gets too far ahead of himself. Atlas is great with other dogs and would love a friend to play with!! He needs a home with NO cats or livestock though! Once Atlas has had his fill of fun for the day, he loves taking naps in between and hanging out with you any chance he can get.

For the month of February
Hope Ranch Animal Sanctuary
was contacted by people in the community
of Anza and Aguanga, to help
24 dogs and 63 puppies.

That makes the total so far for this year
65 dogs and 253 puppies
The good news is we have fixed 22 dogs in
February. That is a total of
70 spay/neuters this year.

We are so thankful for a generous donor
who made this happen.

Leslie L. Alexander Foundation

Help us fight this battle and become a foster
or donate for Spay and Neuter.

We are staying optimistic
that we will fix the over
population of dogs in our community
by providing
free spay and neuter for the needy.

Meet Brian. This boy is so sweet and friendly! He can be a little shy at first but he warms up very quickly and will be your #1 Best Friend Forever and Ever! He's an absolute bundle of joy who's sure to bring so much love and life into your home. He's very affectionate. He enjoys being held. He's a typical puppy who is playful and energetic. He loves to romp around and play with his toys, the other dogs, and his person. He's well socialized and is great with other dogs, kids, and even cats! Whoever adopts him is going to be so lucky!

Bianca, Well considering she was heading for euthanasia, she is an absolutely incredible, well trained, and friendly girl! Bianca came to us at 4 months old from the shelter. She was Euthanasia listed if rescue hadn't stepped up because she had Mange. The difference in her now is wonderful, all she needed was a kind heart willing to give her time and patience for her coat to grow back and look at her now. Bianca is a super sweet and friendly, happy-go-lucky girl who just wants to please her people. She's great with other dogs, big or small, young or old. She's a big girl and although great with kids, her energy would be too much for the younger ones so maybe 12 and up would be best. She LOVES going on walks and car rides. Being the young girl she is, she's got plenty of energy to easily keep up with your energy for the day but with that said, she also knows when it's time to settle down. She's completely house trained and crate trained. She has been enrolled in and graduated several training courses so she's very smart, well behaved, and well rounded! Bianca is 1 year old, weighs 60 lbs.

This is Aspen. His mom was rescued with her 8 babies in tow and all of them were beautiful boys who have grown to be some of the sweetest, happiest babies ever. They're super friendly and outgoing. They're playful and love to be out and about. They're well socialized with kids, dogs, and cats. They will make great companions to take on lots of walks and lounging around the house with after for snuggles. They're typical babies who have a lifetime of love and companionship to give.
